

Ahearn & Soper Inc. Company Overview

Founded and established in 1881 Ahearn & Soper Inc. is a privately held company headquartered in Toronto, ON with branch offices in Cambridge, Ottawa, Montreal, Calgary, Edmonton and Vancouver. We are an Automatic Identification Solutions Provider with over 30 years experience in the creation and deployment of industrial barcode equipment (barcode software, scanners, handhelds, printers and barcode label applicators), RFID, and mobility data collections systems. Our tailored solutions include off-the-shelf and custom windows-based software, photo ID, Access Control and Video Surveillance Systems and Security Cameras. Custom written software solutions cover inventory management, work-in-process, warehousing, asset management, mobile productivity, healthcare, and tracking systems **plus more**. We provide pre-sales consulting, installation, training, after-sales support and repair service.

Ahearn & Soper Service and Support

Our comprehensive offering of maintenance and support services is designed to satisfy the requirements of the most demanding business environments. Our available programs include on-site service, depot, preventative maintenance, hot swap, remote service and phone support.

Manufacturing Label Shop

Our in-house Label Shop has an array of skilled individuals, all with over 15 years of experience in production, material handling, press operators and printing.

We stand behind the products and systems we sell with a 130 year commitment to customer service!
